

# CALL FOR PAPERS

## 2nd International Scientific Symposium "Sense. Enable. SPITSE." 2015 St. Petersburg, Russia

**22 June – 03 July 2015**

The International Scientific Symposium "Sense. Enable. SPITSE" is the main annual event of the DAAD-supported Strategic Partnership of Ilmenau University of Technology (Germany), St. Petersburg Electrotechnical University "LETI" (Russia) and the National Research University "Moscow Power Engineering Institute" (Russia).

After the last year success of the first event held in Ilmenau, the second Symposium is organized in the beautiful city of St. Petersburg.

The Symposium combines a Scientific Conference (22-26 June 2015) and a Summer School for young researchers (22 June – 03 July 2015).

**VENUE:** St. Petersburg Electrotechnical University "LETI",  
5 Prof. Popov str., St. Petersburg, Russia

**LANGUAGE:** The official language of the Symposium is English.

### CONFERENCE TOPICS INCLUDE BUT NOT LIMITED TO:

- Novel technologies for RF, microwave, and optical sensors and devices
- Antennas for RF and microwave sensing
- Energy efficient frontends, wireless power transfer
- Smart sensors, sensor signal acquisition, HW/SW co-design
- Biomedical diagnostics
- Wireless devices and strategies for intelligent traffic systems (ITS)
- Nonlinear dynamic system modeling; analog/digital signal processing
- Wireless sensor networks, network security
- Data fusion and data mining
- Embedded software engineering

### IMPORTANT DATES:

Deadline for paper submission – 29 March 2015

Paper acceptance notification – 26 April 2015

Submission of final paper – 17 May 2015

Deadline for Summer School registration – 10 May 2015

### PAPER SUBMISSION:

Submit your 2-pages abstracts in PDF format by email to SPITSE2015@etu.ru and assign it to one of the topics above.

More information is found at [www.eltech.ru/spitse](http://www.eltech.ru/spitse).

ILMENAU UNIVERSITY OF  
TECHNOLOGY

SUPPORTED BY

DAAD  IEEE DEN

### Why to take part in?

- No registration fee is applied
- Best time to visit St. Petersburg (marvelous white nights period)
- Social program includes city tour and tour to a beautiful suburb of St. Petersburg

### ORGANIZING COMMITTEE:

Prof. Vladimir Kutuzov, General Chair

Prof. Viktor Tupik, Vice-Chair

Prof. Victor Malyshev

Prof. Mikhail Kuprianov

Prof. Zafar Yuldashev

Dr. Dmitry Kholodnyak

Mrs. Maria Kiseleva

Miss Anna Glazova

Miss Eugenia Zubkova

### REGISTRATION FEE:

No registration fee is applied
