Antennas Week 2019

Online registration starts on 19 February, 2019

Venue: Saint Petersburg Electrotechnical University "LETI", ul. Professora Popova 5,
197376 St. Petersburg, Russian Federation

Dear Colleagues,

We invite you to take part in the Antennas Design and Measurement International Conference 2019 (ADMInC'2019)!

General Information:

The Antennas Design and Measurement International Conference 2019 is organised by Saint Petersburg Electrotechnical University "LETI" and the IEEE Russia North-West Section to provide a platform for sharing results, knowledge dissemination, discussion, and networking researchers in the area of antenna technology, electromagnetics, antenna measurements and wave propagation. The ADMInC'2019 will be held as a part of Saint Petersburg Antennas Week 2019 in conjunction with the [All-Russia Conference on Antennas and Propagation 2019 \(in Russian\)](#). Joint social events will be organised for the two conferences.

The accepted papers will be published in the conference proceedings to be sent for including in the IEEE Xplore® digital library.

TOPICS:

- Wideband antennas
- Antenna arrays
- MIMO and smart antennas
- Feed systems and components
- Antenna measurements
- Scattering and diffraction
- New materials for antennas and millimetre-wave systems
- Wave propagation
- 5G antennas

The official language of the conference is English.

IMPORTANT DATES:

- 19 February, 2019 (Tuesday) - Online registration open.
- 13 May, 2019 (Monday) - Abstract submission deadline.

- 10 September, 2019 (Tuesday) - Registration deadline for attendees without paper.

REGISTRATION FEES:

- Presenter (Standard) – 100 EUR
